Agenda

1. Update from Romania
2. Update from the Philippines
3. Miscellaneous

1. Update from Romania

- Romania seems to believe that GCS itself is a funding mechanism and not a standard in itself, as such, discussions are continuing to increase the capacity building on what the actual GCS mechanism is and how it can be approached successfully

2. Update from Philippines

- Interest seems to be increasing and several PINs are now in the pipeline
- Several contacts have been made and have opened doors to several potential investors in the PH project pipeline

3. German Technical Authority (GIZ)

- GIZ have formulated a GCS working group for the development of project activities in Central America
- Updates to follow

4. Miscellaneous

- COP 18 to be held in Doha, Qatar
- GCS is planning to attend and proactively looking for sponsorship
